MAX Pinot Noir 2017

Aconcagua Costa

ESTATE

Errázuriz is recognized as perhaps the single top quality producer of Chilean wines, with in the last year alone Eduardo Chadwick, President, named Decanter Man of the Year 2018, and the winery awarded Best Chilean Winery 2017 by Robert Parker's Wine Advocate.

WINE

Hailing from a daring planting nearly 15 years ago of vineyards fewer than ten miles from the Pacific Ocean, MAX Pinot Noir is a stunning expression of Pinot Noir that we believe makes it one of the highest quality, most interesting, and most original Pinot Noirs available at its price from anywhere in the world.

VINEYARD

Soils: The soil has a thin layer of loamy texture and placed on a base of clay and metamorphic rock (slate/schist), providing the mineral notes present in the wines that are grown in these vineyards.

Farming: Certified Sustainable. Environmentally friendly processes include using gravity instead of pumps to move wine, controlling temperatures with wind in underground ducts to avoid use of air conditioning, and using solar panels and special window glass to save energy.

Grape Varieties: 100% Pinot Noir.

WINEMAKING

Fermentation: handpicked, sorted, destemmed, crushed and placed in open top stainless steel tanks, where the grapes underwent a cold maceration for 14 to 25 days before fermentation.

Aging: 11 months in French oak barrels, 15% new.

VINTAGE

Climate: The 2017 vintage was characterized by a mild and dry winter, followed by a very sunny and warm summer, finalized by an early harvest.

WINE ADVOCATE

"A restrained red with moderate alcohol and very good freshness. After destemming and crushing, it fermented in stainless steel and then aged for 11 months in French oak barrels, 15% of them new. It has some iron-like aromas of fresh blood and red berries and a tasty, medium-bodied palate."
